

Dear Clients,

I'm a conference level Mandarin Chinese-English interpreter based in the CA area. I travel nationwide and internationally for assignments and would like to offer my services. My high-profile end clients include the American Chamber of Commerce in China, former United States Secretary of State Dr. Condoleezza Rice, the US Coast Guard, the US Army, Guidewire, Netflix, HP, IBM, Cisco, and Apple.

My most recent big events worked at as a simultaneous interpreter include the 2018 Global Climate Change Action Summit, 2019 IBM Think, 2019 Google Marketing, National Realtors Association 2019 Global Conference, Micron Insight 2019, and VMWorld 2019.

I have 25 years of experience working as a high-level linguist on numerous projects, many of them in the IT business and legal related, such as conferences, trade shows, depositions, immigration/asylum interviews, social work, and investigative work for law firms and litigation services. I also translate and do desktop publishing for clients who need bilingual marketing materials and books.

Regards,  
Ginger Wang, M.A.
